UNSAFE PRACTICES ASSOCIATED WITH THE TRAFFICKING OR TRANSPORT OF MIGRANTS BY SEA

Second biannual report

1 The Maritime Safety Committee, at its seventieth session (7 to 11 December 1998), in approving MSC/Circ.896 on Interim measures for combating unsafe practices associated with the trafficking or transport of illegal migrants by sea, invited Member Governments to promptly convey to the Organization reports on relevant incidents and measures taken to enable the updating or revising of the circular.

2 The Committee, at its seventy-third session (27 November to 6 December 2000), agreed to establish a reporting procedure for dissemination by the Secretariat on a biannual basis and urged Governments and international organizations to promptly report all unsafe practices associated with the trafficking or transport of illegal migrants by sea they are aware of.

3 The Committee, at its seventy-fourth session (30 May to 8 June 2001), in the light of the reports recorded and proposals made by Governments, approved amendments to the annex to MSC/Circ.896. The report format appended to MSC/Circ.896/Rev.1 should be used for such reports.

4 Annexed hereto, in the tabulated format agreed by the Committee, is the summary of 79 reports on incidents, involving 1,253 migrants, received by the Organization for the period from 1 January to 31 July 2007.

5 The total number of incidents related to unsafe practices associated with the trafficking or transport of migrants by sea so far reported to the Organization is 1,242, involving 61,422 migrants.
