MSC.3/Circ.4
28 February 2003

**UNSAFE PRACTICES ASSOCIATED WITH THE
TRAFFICKING OR TRANSPORT OF MIGRANTS BY SEA**

Fourth biannual report

- 1 The Maritime Safety Committee, at its seventieth session (7 to 11 December 1998), in approving MSC/Circ.896 on Interim measures for combating unsafe practices associated with the trafficking or transport of illegal migrants by sea, invited Member Governments to promptly convey to the Organization reports on relevant incidents and measures taken to enable the updating or revising of the circular.
- 2 The Committee, at its seventy-third session (27 November to 6 December 2000), agreed to establish a reporting procedure for dissemination by the Secretariat on a biannual basis and urged Governments and international organizations to promptly report all unsafe practices associated with the trafficking or transport of illegal migrants by sea they are aware of.
- 3 The Committee, at its seventy-fourth session (30 May to 8 June 2001), in the light of the reports recorded and proposals made by Governments, approved amendments to the annex to MSC/Circ.896. The report format appended to MSC/Circ.896/Rev.1 should be used for such reports.
- 4 Annexed hereto is the tabulated format agreed by the Committee containing the summary of 108 reports on incidents, involving 2,948 migrants, received until 28 February 2003.
- 5 The total number of incidents related to unsafe practices associated with the trafficking or transport of migrants by sea so far reported to the Organization is 384, involving 15,374 migrants.

The ship was boarded at 20:55Z. The small ship flying the Sri Lankan flag was out of fuel and the Captain and first Officer had abandoned the ship 15 days ago off Socotra. The ship was in quite a good state, with a GPS and VHF in working condition, but with some items missing (radar, lights). Everyone onboard was in relatively good health, taking into account the shortage of provisions for 15 days. Around twenty crew members, able seamen, were onboard	The French frigate provided fuel, water, food and maps. People onboard were advised to sail to the nearest port.
