UNSAFE PRACTICES ASSOCIATED WITH THE TRAFFICKING OR TRANSPORT OF MIGRANTS BY SEA

Second biannual report

1 The Maritime Safety Committee, at its seventieth session (7 to 11 December 1998), in approving MSC/Circ.896 on Interim measures for combating unsafe practices associated with the trafficking or transport of illegal migrants by sea, invited Member Governments to promptly convey to the Organization reports on relevant incidents and measures taken to enable the updating or revising of the circular.

2 The Committee, at its seventy-third session (27 November to 6 December 2000), agreed to establish a reporting procedure for dissemination by the Secretariat on a biannual basis and urged Governments and international organizations to promptly report all unsafe practices associated with the trafficking or transport of illegal migrants by sea they are aware of.

3 The Committee, at its seventy-fourth session (30 May to 8 June 2001), in the light of the reports recorded and proposals made by Governments, approved amendments to the annex to MSC/Circ.896. The report format appended to MSC/Circ.896/Rev.1 should be used for such reports.

4 Set out at annex 1 in the tabulated format agreed by the Committee is the summary of 105 reports on incidents, involving 3,266 migrants, received until 30 July 2004.

5 Set out at annex 2 are statistics collated for the years 1999 to 2004.

6 The total number of incidents related to unsafe practices associated with the trafficking or transport of migrants by sea so far reported to the Organization is 597, involving 20,175 migrants.

ANNEX 2**STATISTICS FOR THE YEARS 1999 UP TO JULY 2004****GENERAL**

Attached is the statistical information on “Unsafe practices associated with the trafficking or transport of migrants by sea” prepared on the basis of 597 incidents reported to the Organization from 1999 up to July 2004, involving 20,175 migrants and 40 countries approximately. During 2004, 8 reports have been submitted to the Organization so far.

In preparing this document the Secretariat noted that the number of reporting States is very small. From 164 Member States only eight Member State have reported incidents to the Organization during the last five years. During this period 597 incidents have been report to the Organization. Greece has submitted the major part of the reports, 444 followed by Italy with 74 reports, Turkey with 65, France 5, Spain 5, Yemen 2 and Syria and Algeria 1 each (see figure 1).

Taking into account the limited number of reports received by the Organization and the limited number of Member States that have submitted information on incidents related to these unsafe practices during the last four years, Contracting Governments may recall that MSC 73 urged Governments and International Organizations to report promptly all unsafe practices associated with the trafficking or transport of illegal migrants by sea in accordance with and in the format set out in MSC/Circ.836/Rev.1.
