

Ref. T1/13.01

MSC.4/Circ.16
31 March 2002

REPORTS ON ACTS OF PIRACY AND ARMED ROBBERY AGAINST SHIPS

Annual report - 2001

1 The Maritime Safety Committee, at its sixty-fifth session in May 1995, instructed the Secretariat to issue, as from 31 July 1995, monthly reports of all incidents of piracy and armed robbery against ships reported to the Organization and, in addition, on a quarterly basis, composite reports accompanied by an analysis, on a regional basis, of the situation and an indication whether the frequency of incidents is increasing or decreasing and advising on any new feature or pattern of significance.

2 At its sixty-sixth session in June 1996, the Committee instructed the Secretariat to prepare, after March of every year, an annual summary of all acts of piracy and armed robbery against ships, which had occurred during the previous year and had been reported to the Organization, based on their actual date and time of occurrence.

3 Pursuant to this request, the annex hereto provides information on reports of piracy and armed robbery against ships received by the Secretariat since 1984, when relevant statistics started being compiled and, in particular, those which occurred in the course of 2001 as well as a regional analysis thereof.

4 The number of acts of piracy and armed robbery against ships, reported to have occurred or to have been attempted in 2001, as reported to the Organization, was 370, a decrease of 101 (21%) over the 2000 figures.

5 From the information referred to above, it emerges that the areas most affected in 2001 (i.e. five incidents reported or more) were the Far East, in particular the South China Sea and the Malacca Strait, the Indian Ocean, West Africa, South America and the Caribbean and East Africa. Over the period under review, the number of acts reported to have occurred or to have been attempted increased from 33 to 58 in West Africa, remained 2 in the Mediterranean Sea and decreased from 112 to 58 in the Malacca Strait, from 140 to 120 in the South China Sea, from 109 to 86 in the Indian Ocean, from 29 to 22 in East Africa and from 41 to 23 in South America and the Caribbean over the 2000 figures. Most of the attacks worldwide were reported to have occurred or to have been attempted in the coastal States' concerned territorial waters while the ships were at anchor or berthed. In many of the reports received, the crews were violently attacked by groups of five to ten people carrying knives or guns.

6 From the same information, it emerges that, during the period under review, seventeen crew members of the ships involved were killed, forty-two wounded and five missing in the reported incidents. It has also been revealed that sixteen ships were hijacked, two missing and one lost. On four occasions, the attackers used explosive devices.

7 The total number of incidents of piracy and armed robbery against ships, reported to have occurred or to have been attempted from 1984 to the end of March 2002, has risen to 2,626.

8 With regard to acts of piracy and armed robbery against ships reported to the Organization, to have occurred or to have been attempted during 2001 has been circulated by means of monthly reports (MSC/Circ.989, MSC/Circ.990, MSC/Circ.992, MSC.4/Circ.1, MSC.4/Circ.2, MSC.4/Circ.3, MSC.4/Circ.5, MSC.4/Circ.6, MSC.4/Circ.7, MSC.4/Circ.9, MSC.4/Circ.10 and MSC.4/Circ.11, MSC.4/Circ.13 and MSC.4/Circ.14) and quarterly reports (MSC/Circ.993, MSC.4/Circ.4, MSC.4/Circ.8 and MSC.4/Circ.12).

9 The annexes to this document provide a breakdown of the information referred to above as follows:

- .1 annex 1 provides a list of all acts reported to have occurred or to have been attempted in 2001 in chronological order of occurrence;
- .2 annex 2 provides a regional analysis of acts reported to have occurred or to have been attempted in 2001;
- .3 annex 3 provides a graphic presentation by location and month of occurrence of the 2001 acts reported to have occurred or to have been attempted;
- .4 annex 4 provides maps showing the location of acts reported to have occurred or to have been attempted during 2001; and
- .5 annex 5 provides a graphic presentation, on an annual basis, of reports received between 1984 and March 2002 based on their time of occurrence.

ANNEX 1
LIST OF ACTS OF PIRACY AND ARMED ROBBERY
AGAINST SHIPS AND ATTEMPTED ATTACKS
WHICH OCCURRED IN 2001
AND WERE REPORTED TO THE ORGANIZATION
