

REPORTS ON ACTS OF PIRACY AND ARMED ROBBERY AGAINST SHIPS

Second quarterly report (April to, and including, June 2002)

1 The Maritime Safety Committee, at its sixty-fifth session in May 1995, instructed the Secretariat to issue, as from 31 July 1995, monthly reports of all incidents of piracy¹ and armed robbery against ships² reported to the Organization and, in addition on a quarterly basis, composite reports accompanied by an analysis, on a regional basis, of the situation and an indication whether the frequency of incidents is increasing or decreasing and advising on any new feature or pattern of significance.

2 Annexed hereto is a composite report covering all reported incidents of piracy and armed robbery against ships which occurred between 1 April and the end of June 2002, and a regional analysis thereof, including a distinction between acts of piracy, acts of armed robbery against ships and attempted attacks.

3 The areas most affected over the period under review were, once again, South China Sea, South America, West Africa, the Indian Ocean, East Africa and the Malacca Strait. Most of the attacks were reported in port areas while the ships were at anchor or on berth.

4 During the period under review, four crew members were killed and, on one occasion, the entire crew of a ship went missing. Three ships were hijacked and one ship went missing. In several of the incidents reported, the crew were violently attacked by individuals or groups of two to ten persons carrying guns or knives.

5 The total number of acts of piracy and armed robbery against ships so far reported to the Organization is 2,708, out of which 82 occurred during the second quarter of 2002. Of these 82 reported acts, 21 constituted allegedly attempted acts.

¹ "Piracy" is defined in the 1982 United Nations Convention on the Law of the Sea (UNCLOS) (article 101) as follows:

"Piracy consists of any of the following acts:

- (a) any illegal acts of violence or detention, or any act of depredation, committed for private ends by the crew or the passengers of a private ship or a private aircraft, and directed:
 - (i) on the high seas, against another ship or aircraft, or against persons or property on board such ship or aircraft;
 - (ii) against a ship, aircraft, persons or property in a place outside the jurisdiction of any State;
- (b) any act of voluntary participation in the operation of a ship or of an aircraft with knowledge of facts making it a pirate ship or aircraft;
- (c) any act inciting or of intentionally facilitating an act described in sub-paragraph (a) or (b)."

² "Armed robbery against ships" is defined in the draft Code of Practice for the Investigation of the Crimes of Piracy and Armed Robbery Against Ships (MSC/Circ.984) (article 2.2) as follows:

"Armed robbery against ships means any unlawful act of violence or detention or any act of depredation, or threat thereof, other than an act of "piracy", directed against a ship or against persons or property on board such ship, within a State's jurisdiction over such offences."
