1 The Sub-Committee, at its thirty-sixth session (10 to 14 January 2005), noted that MEPC 52 had adopted amendments to Annexes I and II of the MARPOL 73/78 Convention and consequential amendments to the IBC Code which had been also adopted by MSC 79. Accordingly, STW 36 had instructed the Secretariat to update the model courses 1.02 and 1.04 before the amendments to Annexes I and II of MARPOL 73/78 and the IBC Code come into force on 1 January 2007 (STW 36/17, paragraph 3.3). The Secretariat had provided an oral update on the revision of the model courses at STW 37.

2 STW 30 had agreed that the Secretariat should publish the existing model courses which have been revised or updated, after seeking and taking into account the views of the IMO/ILO validation group, before validation by the Sub-Committee.

3 The draft of revised model courses 1.02 and 1.04 were forwarded to members of the validation panel for their comments. The comments received have been incorporated as appropriate. The revised model courses are now being prepared for publication.

4 The Secretariat will provide an oral update on the status of publication during the meeting.
