<i>Action to be taken:</i>	Paragraph 3
<i>Related document:</i>	STW 37/3

General

1 In response to the Maritime Safety Committee's instructions, at its sixty-eighth session (MSC 68/23, paragraph 12.5) and all sessions thereafter, the Secretariat continued work intersessionally on the model course project, progress on which is reported in the ensuing paragraphs.

Overview

2 Attached at annex is updated information on IMO model courses which have been printed and are available for use; courses which are being prepared for publication; those which are out of print pending revision; those which are being developed or are under consideration; those which have been translated and published in French and Spanish.

Action requested of the Sub-Committee

3 The Sub-Committee is invited to note this information, as well as additional information, as may be provided orally by the Secretariat during the session, updating the status of production and revision of IMO model courses since this document was drafted; and take action as appropriate.

For reasons of economy, this document is printed in a limited number. Delegates are kindly asked to bring their copies to meetings and not to request additional copies.
